Dear Friend:

The AFI Associates are pleased to invite you to the premiere of MEET THE FOCKERS. This event will be held on Wednesday, December 16, 2004. The filmmakers and stars behind MEET THE PARENTS, the runaway hit of 2000, are reunited and joined by some formidable future in-laws in this follow-up comedy. Now that Greg Focker (Ben Stiller) is "in" with his soon-to-be in-laws, Jack (Robert De Niro) and Dina (Blythe Danner) Byrnes, it looks like smooth sailing for him and his fiancée, Pam (Teri Polo). But that's before Pam's parents meet Greg's parents, Bernie (Dustin Hoffman) and Roz (Barbra Streisand) Focker. The hyper-relaxed Fockers and the tightly wound Byrneses are woefully mismatched from the start, and no matter how hard Greg and Pam try, there is just no bringing their families together. This all adds up to a disastrously funny time of "getting to know you."

MEET THE FOCKERS is a Universal Pictures/DreamWorks Pictures co-production, based on characters created by Greg Gilenna and Mary Ruth Clarke. It is directed by Jay Roach; produced by Jane Rosenthal, Robert De Niro and Jay Roach; and executive produced by Nancy Tenenbaum and Amy Sayres. The story was written by Jim Herzfeld and John Hamburg, who also wrote the screenplay with Vince Di Meglio and Tim Rasmussen.

To date, the AFI Associates have raised over \$4 million for AFI, a national institute providing leadership in screen education and the recognition and celebration of excellence in the art of film, television and digital media. PLEASE JOIN US IN SUPPORTING THIS MAJOR EVENT benefiting the AMERICAN FILM INSTITUTE.

For the MEET THE FOCKERS premiere, the AFI Associates are offering special sponsorship opportunities. Please return the attached form indicating your desired level of participation as soon as possible to ensure the seating of your choice.

This premiere promises to be a memorable evening of fun and laughter. Your continuing participation is very much appreciated.
